LETTER TO THE FLAME CLASS OF AUGUST 19, 1961

Beloved Children of My Heart:

Now you enter the beautiful Chateau de Liberte of My Son, Paul (known as the Venetian Master). He will show you the beauty of Spirit and beauty to be expressed through each of you in the world of form. The Gentlemen Sponsors from this Retreat, all wear Pink robes and emanate His quality of Pure Divine Love.

His Focus is a place of great beauty, and you shall enjoy visiting the Flame Room where the Threefold Flame is focused, representing, as the One at Shamballa, perfect balance. Here, too, is the pulsating heartbeat of the Goddess of Liberty, and you can feel the vibration of that liberating essence from Her and Beloved Paul, even when you visit there in consciousness.

I ask that you, and I will help you, learn the joy of loving The Christ within all you see, no matter what the appearance. Then, before your eyes, love will manifest through such a person, place, condition, or thing and you, even as Lady Master Nada, shall have the joy of seeing the manifestation of perfection.

Love and Blessings,

MAHA CHOHAN

THE THIRD RAY - THE CREATIVE ACTIVITY
By the Ascended Master Kuthumi

The Third Ray is the First Expression of the Holy Spirit in the world of matter. The First and Second Rays represent the Fatherhood and Sonship of God, which, when understood, prepares the student to enter consciously the Path of Creative Activity in accordance with the Divine Plan. The Master Paul, the Venetian, is the Chohan in charge of this Third Ray of the Holy Spirit. It is His Great Service to translate the Divine Plan into physical expression.

After the student has mastered the Silence, has studied the Divine Plan, and has realized his oneness with the Father-Mother Principle of Creation under the First and Second Rays, he is then prepared to draw that Divine Plan into manifestation and become, instead of the listener, the doer! This Ray has not been stressed sufficiently in any avenue of learning and yet it is one of the most valuable activities that can be assimilated by the lifestream. One may learn and study for eternity but until that knowledge has been applied, it is worthless.

The Venetian has been referred to as the Master of Tact, Diplomacy and Beauty, and thus has been looked upon as an idealistic form of ascetic living, rather than a practical, dynamic and forceful expression of the Divine Mind in the world of form. Tact and Diplomacy are a part of the Third Ray man.

THE HARMONY OF CREATION
By Beloved Paul, the Venetian

All creation, in accordance with the Divine Plan, consists not only of Perfected Forms but Harmonious Sounds. Cosmic Creation takes place in a symphony of exquisite Melody. When the Godhead or the Solar Lords create a Universe and a humanity, you may liken Them to a Composer creating a glorious symphony on a cosmic organ. Every individual sent forth from the Heart of the Creator has a particular Note or Tone, which is established by the consciously created wave length of the Cosmic Energy flowing into the Three-fold Flame of that Individualization. That Cosmic Tone, emitted by every electron in that particular lifestream, flows out continually as a conscious part of the Music of the Spheres. As the electrons swing around the central core of Love, their speed determines the Note which may be used in any number of blends, and thus Creation is a Cosmic Harmony of Sound.

There is no such thing as a false note, for the Will of the Creating Intelligence establishes each Tone and half tone, and every succeeding electron flowing from the Godhead carries to its particular lifestream that same harmony and flow of musical beauty.

Important in precipitation

The electrons as they flow from the Presence through the personal self, carry this same natural harmony within them and take up their place as atoms

of the flesh body - each electron moving in a harmonious motion, emitting the sound decreed into being by the Godhead for that lifestream. The Cosmic Note is sounded when the first atom of the physical body is brought forth and the Builders of Form and the Devas of Birth coalesce the substance of earth, water and air around this Permanent Atom in absolute harmony to that Inner Note. Thus, the flesh body in its natural state is a constant radiating center of uninterrupted harmonious sound and color, as should be the etheric, mental and emotional bodies, for the same color and sound follow through in their particular element.

The experience Life has shattered this natural harmony by constant shocks, irritation, annoyances, anger--and changed the speed of the electron around the core of Love; changed their natural wave-length and put them out of harmony with their Divine Plan, thereby creating a discord and broken rhythm.

Uninterrupted Harmony is essential for Precipitation because the electrons drawn from your Presence as they sweep into your feeling world, are immediately thrown off center, and as creation can only take place through Harmony, any precipitation drawn forth without this Harmony, is likewise off center and unbalanced. The more uninterrupted harmony there is in your inner bodies, the purer and more permanent and more beautiful will be your precipitation.

There is nothing warrants the breaking the harmony of your lifestream. This is the reason that Silence

and Peace and "no human opinions" have been stressed, for most of you do not even know your Note and none of you are expressing your Cosmic Tone.

You have heard the broken rhythm of your modern music and when you step into the atmosphere of another human being, the jangle and discord of their atoms is more pronounced than even this distorted music. As a matter of fact, this distorted music is but a copy of the emanation of the lifestream of the composer!

The Music of The Bridge Activity or any harmonious melody will assist you to rearrange the electronic substance of your body, and the Heart of the Silence will pour through these electrons their Cosmic Note again. The Mighty Being Harmony will give you inestimable assistance as you call forth, command, demand and insist upon unbroken harmony from your own lifestream. No person, place, condition or thing is important enough to destroy your harmony, because the individual only condemns that which is outside, since he has not mastered that which is within!

LET US HONOR THE ASCENSION OF BELOVED MARY, MOTHER OF JESUS, ON AUGUST 15th

On August 15th of each year, we have the opportunity and privilege of honoring the Ascension Day of Beloved Mary, the Mother of Jesus. As we send our love and gratitude to Her, She comes back on that Ray of Light to charge into us Her Power and Consciousness to hold the Immaculate Concept for ourselves and all life, and imbues us with that constancy to "keep on keeping on" until our Victory is achieved.

ON RAISING THE CONSCIOUSNESS
by Beloved Mother Mary

The God Consciousness in the Universe is an eternal, ever-present state of Thought and Feeling, penetrating all strata of Light. Into this God Consciousness various lifestreams have tuned through self-conscious endeavor to unite their thought and feeling and continuous state of being with Reality. According to their capacity have they received more or less of the ultimate realization, vision and beauty, and are those individuals rated in evolution as Ascended and Cosmic Beings.

The endeavor of every aspirant, chela and student is to come to a point of realization wherein his or her individual consciousness is raised to a point where it contacts and unites itself with the Cosmic Truth ever-present. This raising of the consciousness is the Spiritual Path, and the sustaining of the consciousness in Truth is the Spiritual Way, and the realization of the ever-present consciousness of All Good is the reward of the lifestream who has determination and constancy to pursue this Spiritual Path to the fulfillment of realization.

We see, therefore, that the Ascension of Consciousness is an hourly process wherein the separate human consciousness, filled with its concepts and beliefs, is gradually quickened in vibratory action until by its very vibration it joins with Ever-Present Truth, which previously vibrated so rapidly that the human consciousness was unaware of its subtle presence.

For an individual to achieve Ascended Master Consciousness, he must be eternally vigilant as to the condition of the thought and feeling bodies, as they form the vibratory action and wave length of his state of being, and to accelerate the wave length of the vibration of his consciousness to a point where they tune into the Ascended Master Consciousness, the individual must entertain and maintain only those vibrations representative of the virtuous, harmonious, pure currents that form the ever-present God Consciousness of the Universe and all Perfected Beings.

Great men and women who have followed in the footsteps of the Master Jesus, the Lord Gautama Buddha, and other Great Exemplars of Good, have, by contemplation and imitation of their Divine Masters, raised their consciousness to a point where it blended with and became one with the Master's. These people, while unascended, formed a perfect channel for the conducting of the Ascended Masters particular gifts which could pass through a consciousness only akin to Their own, and these people thus became great forces for GOOD because through individual application, their consciousness had joined to and become one with their Master's and in this way they performed all the Master's work in His Name.

If you, who seek to serve God and to unite your separate selves with the One, dwell upon the consciousness of any single Ascended Being Who will

(continued on page 17)

ON PRECIPITATION
By the Ascended Lady Master Nada

We have learned that man has been precipitating through the very faculties of the Godhead from the beginning of time, but the consciously directed manipulation of the processes of thought and feeling is Mastery! You can see now from those stories you have read with wonder regarding the ability of a Master to create conditions in a seeming miraculous manner, how these wonders can become a daily and natural experience in your life plan.

The life plan of the average individual is an uncertain series of experiences, resulting from the lack of control of the thought processes, energized unconsciously by the pressure of the feeling world and catapulted into expression.

The natural activity of every lifestream is to consciously direct his visualizing faculties according to the wisdom of his Holy Christ Self and to cut out of the universal Light Substance the pattern and form which he wishes to express; then to pass the energy of his feeling world through this distinct and detailed pattern in a calm, effortless but persistent manner until the inner design is manifested.

When they shape golden vessels, they first make a mould of a strong substance and then the gold is poured into the mould, and thus the vessel is formed first and then the mould is removed, and this is done in a methodical, tensionless manner. The thoughts and feeling processes of man can be controlled in

exactly the same scientific manner and the science of precipitation gained through practice will bring manifestations more quickly.

WILL YOU HELP ME?
By the MAHA CHOHAN

When We speak of love, mankind does not seem to grasp fully the simplicity of the Law and I am hoping this morning in the informal little gathering of My Friends of the Heart, that I may enable you to understand that harmonious energy is the Golden Path your blessed feet must walk upon to take you Home. We are so desirous of brothers and sisters who will engender harmonious qualities in the lives of those around them, so that those blessed feet, stumbling in unhappiness and confusion, may walk the Path Home too. If you find them in distress, confusion and chaos--the Path strewn with roses which leads to the Celestial Home in the Heart of God, is yours to spread before them just by changing the quality of their energy.

Will you do that? Will you help Me, for they are all My Children, and the Pathway Home is far from their own heart's love--which must come from within themselves--as the web from within the spider on which he swings to greater heights. My Blessed Children, how We long for some who will open the hearts of the confused people and let their love grow and expand!

BELOVED ZEUS SPEAKS on the Eight Bodies of Man
(continued from July 1961 Bridge)

XXIV. WHAT ARE THE NAMES OF THE LOWER BODIES?

The emotional, mental, etheric and physical.

XXV. WHAT IS THE FUNCTION OF THE EMOTIONAL BODY?

The emotional is the feeling world. It is the largest of the four. It is composed primarily of the water element. This emotional body was designed by the Builders of Form to act as a cradle in which the other lower bodies would be enfolded; even as the landed surface of the Earth is cradled by the seas. Its correct service is to nourish Divine Ideas with the positive feeling of accomplishment. Thoughts, words and actions have little efficacy until the buoyancy and enthusiasm of the feelings projects and sustains them in whatsoever sphere the individual's consciousness desires them to act.

The feeling consciousness must be purified by calling to the Beloved Ascended Master Saint Germain and the Violet Transmuting Flame, because through eras of time, the individual has been subject to various situations wherein disappointments, disillusionments, rebellions have created rebellious feelings--'troubled waters.' When so purified, the feelings will always determine the activities of the outer self, subconscious or conscious. The Beloved Ascended Master Jesus was admonished first to become Master over Himself (the four lower vehicles which He used in His last Victorious Accomplishment) before He could be Master over the lower vehicles of others, as well as the elements themselves. Having such Mastery, it was easy for Him to expand the FEELING OF PEACE to the raging waters that alarmed His disciples in Galilee.

XXVI. WHAT IS THE FUNCTION OF THE MENTAL BODY?

The mental body should be the chalice for the receptivity of the Divine Ideas. It has the power within itself to mould these Divine Ideas into practical workable form. The same purifying process as given for the emotional body applies to all four lower bodies.

XXVII. WHAT IS THE FUNCTION OF THE ETHERIC BODY?

The etheric body, sometimes called the "soul" records all the experiences of the lifestream since individualization took place. It receives from the mental body those ideas which have been energized by the feeling world. Before thoughts and feelings can be manifest in the physical appearance world, they

must be sieved through the etheric body. As the etheric body holds all the records, both good and evil, within itself, it is of prime importance that the misdeeds of the lifestream recorded herein are transmuted. These records form the essence of the personality and stamp all the activities of the individual with its specific nature.

XXVIII. WHAT IS THE FUNCTION OF THE PHYSICAL BODY?

The physical body is the anchorage upon the Earth plane through which should be channeled a portion of the activities of the other seven bodies. When they are in perfect attunement with the White Fire Being, they are the Master Presence here on Earth. Conversely, the imperfections of the physical body are the result of the impact of the emotional, mental, etheric natures, not only of itself but of other lifestreams. Present and past environment and associations are primal factors in the constitution of these bodies.

XXIX. WHAT SHOULD AN INDIVIDUAL DO TO ERADICATE THE IMPERFECTIONS IN THE FOUR LOWER BODIES?

One who has conscious knowledge of the purifying activities of the Sacred Fire in Its Seven-fold Aspect, should invoke Its Transmuting Powers. Each lifestream through aeons of service with one or more of the Seven Rays will find the particular Rays to which they have an affinity, and they respond more readily to those Flames and Rays when invoked.

XXX. HOW DOES ONE PROCEED IN THIS INVOCATION?

First, accept the Reality of the Beings Who are

the Directors of each of the Rays. Then learn the Quality and Activity of each Ray. Then practice Invocation to the Divine Being Who is the consolidating Focus for this specific service. Here again, the feeling nature of the individual (when purified) will be of the greatest assistance in cognizing which Ray is the most efficacious for that particular individual.

XXXI. WHO ARE THE DIRECTORS OF THE SEVEN RAYS AND WHAT ARE THEIR SERVICES?

RAY	DIRECTOR	QUALITY	COLOR
1st	El Morya	Illumined Faith	blue
2nd	Lanto	Wisdom	gold
3rd	Paul	Love, Healing	pink
4th	Serapis Bey	Purity, Hope	white
5th	Hilarion	Consecration	green
6th	Lady Nada	Healing, Ministration	ruby
7th	Saint Germain	Mercy, Purification	violet

XXXII. WHAT IS A SIMPLE EXERCISE TO DETERMINE THE FLAMES AND RAYS TO WHICH EACH MAN HAS AN AFFINITY?

"I AM"(3) the Resurrection and the Life of Beloved Ascended Master El Morya's Illumined Faith IN ACTION in my being and world today(3).

Then follow through with the Beings and Qualities of the other Six Rays. This exercise should be performed rhythmically in each twenty-four hour period for nine months in order to avoid any misconcept as to the efficacy of the Flame and Ray which brings the greatest assistance to the individual.

Also, as individuals through the course of many embodiments, have served upon several of these Rays,

they will be strengthened upon those Rays on which they have not been particularly active. THIS IS ONE OF THE MOST EFFICACIOUS WAYS OF ROUNDING OUT AN INDIVIDUAL'S NATURE!

Mighty Zarathustra will speak on the Magnetization of Spiritual Centers on the planet Earth in the September 1961 BRIDGE.

train your consciousness into His or Her way of thinking and feeling, this will bring about conditions and blending processes which will insure your individual ascension and make you an individualized outpost of the Powers of That One. Then, all the Ascended Masters can use your consciousness as Their Own when it no longer dips into the vibratory action of the human state at the slightest stir of the ethers. I trust this will assist you in your earnest endeavors to sustain a realization of the consciousness "too pure to behold iniquity."

FIRST GLIMPSES OF THE SEVENTH ROOT RACE

An Address by Its Manu, Beloved Lord Saithrhu
The Ashram - April 1st, 1961

Beloved people of Earth, I greet you on behalf of My Root Race and Its subraces. Little you know of Me or My service or of My People. Therefore, I invite you into My Presence this morning. Now have the comfort of being seated.

A Manu is a Being Who primarily has taken the great opportunity of moulding a great number of Spirit Sparks into a specific God Design, to render a tremendous service when the time is required upon the Planet, where the Manu is to either embody or to send forth His Emissaries.

What happened in previous Eras

As you know something of the Manus Who have preceded Me and Who are Prisoners of Love, you know also that My great Seventh Root Race must await the fulfillment of the Divine Plan and Pattern for everyone of the members of the Fourth, Fifth and Sixth Root Races and Their attendant subraces, at which time I shall be enabled to bring forth the First subrace of My Root Race. In previous eras when the Lord Manu made this initial impulse upon the Planet Earth it was necessary for the Manu Himself to take an embodiment to hold an anchorage of the Perfection of Design, Personage, Activity and Service. Then the subrace, the strongest of course of the entire Root Race, first built the ground work, so to speak, for the Activity and Service for that era.

In Our Service, primarily upon the Seventh Ray, you have been told that We have completed Our journey through the Seven Spheres and We await (in the Seventh Sphere wherein the Ascended Master Saint Germain, the Violet Fire Temples and all activities of the Violet Flame are), the opportunity to be called by the Karmic Board and allowed to send in some of the children of Our First subrace. If They come in too soon, before the great numbers of the Fourth Root Race have returned Home, the Seventh Root Race has an entirely different Keynote, and Service to render, and so They are not always able to fulfill in dignity Their mission.

Lord Saithrhu will not take an embodiment

I represent Their God-Father, you might say. In My case, I shall not embody because the Earth, through the assistance of the children of the Ascended Master Saint Germain and the tremendous calls for the Violet Flame, is being purified enough, particularly of the disembodied entities and the removal at the close of the Earth span of souls who would otherwise have to re-embody, and by the removal of the etheric records in the living and the so-called dead.

When it is of the hour of accomplishment, when the Gates of Heaven do open, there shall come forth the First subrace representing the Activity of the Violet Ray of Ceremonial, all equipped with magnificent voices, all able to both precipitate and levitate at the time of birth, with the knowledge of Their Heavenly Realm, with no veil between.

This great Race is due to come forth for the most part in the South American Continent, although We have experimented, and successfully, with the inculcation of several members of the First subrace belonging to My Dominion in the North American Continent. We have chosen South America because across Brazil and all through that country which is now jungle, the Earth has had some time to rest. Ask for me, or the Ascended Master Saint Germain to purify that stretch across the Equator and give to Us a beautiful verdant Earth which Lady Amaryllis Herself will adorn with beauty and clear up the human effluvia.

An activity of the Violet Fire beneath Amazon

Within the very Earth Itself, down to about fifteen feet below Its surface, all through and across from Peru to where the Amazon flows out to Rio de Janeiro, is an activity of the Violet Fire established. This results (and you will see it in your papers) in a great number of poisonous reptiles and various effluvia being spewed forth in the Amazon and then out to the Ocean; and the Amazon will no longer be a flood of mud-tide but that beautiful sapphire blue which is the color of the waters in Our Kingdom.

Our Kingdom, up where the Ascended Master Saint Germain is, is a comfortable and a happy one, and We are a patient Group of Individuals. We have waited long, but now We are assured by the Cosmic Law that the First subrace will be given opportunity--some of them will go before Mother Mary in the month of May 1961--and I am quite sure that one or two thousand

of these Beings will take embodiment in the North American Continent primarily, because as yet the South American Continent is not ready for Them.

Physical description of members of this Race

These People as They grow to maturity will be distinct from all other people which you have ever seen upon the Planet Earth. They have hair which is amber of color and They do not look unlike the Beloved Ascended Master Saint Germain except that They are all blue of eye and have the Seraphic face, the slender figure, the long limbs, and long tapered fingers. They will be artistic in the extreme. Drama will come to the fore again; only that drama and ballet and music will be presented to the masses through these dedicated Lifestreams, the pageantry of life as it should be lived. Much of the time which has been spent in the past in just enjoying, shall We say, the drama and the various media of entertainment to relax the consciousness, They will bring to a focal point the attention of the people. This is Our endeavor, and of course it will be accomplished according to the tenacity of the Spirit Sparks Who will take embodiment with My Blessing and with, of course, My ever-present vigilance and protection. These Beloved ones, will help the Ascended Master Saint Germain tremendously in His Service and Activity to Life.

Lord Saithrhu will materialize at proper time

As a Manu, there is One Root--and that has seven branches. It is like one tree with seven great branches;

only they do not all flower at once. They flower, each one, starting from the left on to the right until the Seven subraces have found expression and completion. Then the Manu and all the subraces join together and Ascend, even as They have descended before. This may clarify for you something which perhaps was confusing within the mind consciousness.

As for Myself, I shall materialize at the proper time. I shall not take an infant form but I shall materialize when the Beloved Ascended Master Saint Germain's kingdom is established on the Earth fully, when mankind, elementals and Angels are all joined together in harmony. Then I can bring in the great numbers of those mighty Beings Whom I Fathered and Whom I love and They, in turn, will enhance the perfection of that Golden Age.

Beloved Himalaya asks for assistance

The Service of a Manu is an Eternal one. It never ends because when One takes that responsibility as Beloved Himalaya, the Vaivasvata Manu and the various Ones do, You are responsible for every individual who is part of the Root Race and subraces and You are responsible for everything which They created in thought, feeling, word or deed. Therefore, the Beloved Himalaya is responsible for every bit of chaos back through the Ice Ages in Asia; that is why He has asked again and again, and has been given assistance in the removal of those etheric records and the transmutation of those imperfect manifestations.

When We come to a Planet like the Earth, We know full well that it is Our karma, enjoyed because We come equipped to handle whatever Our Root Race and subraces do; We shall have to redeem that which is less than perfection. We have withheld for a time the First subrace of My Root Race for the very purpose of allowing the redemptive process to go on in all Root Manus and Their children who have been and are still upon the Earth.

It is My desire that My People when They come forth shall know, as the Holy Innocents did, only Perfection on the Earth. I have loved Them long and served with Them long, and you will love Them as you know Them too. We ask that each and everyone of you be blessed by all the Love, Light and Power, and all the Wisdom and Understanding, and all the Strength which is in the Heart of a Root Manu Who lives but to give to you His children. Thank you, and good morning!

EXCERPT FROM THE BELOVED MAHA CHOHAN

After carefully listening to the reports and petitions presented to the Karmic Board at the Half Yearly Council for the upliftment of the race, by ascended and unascended beings alike at the Rocky Mountain Retreat, it seemed to be the general concensus of opinion that while a knowledge of The Law has increased appreciably on the Earth plane, the generation of Divine Love in the feelings of the people has not kept pace with it!

It was therefore the unanimous hope of the attending Members that mankind at large, particularly those who come under the direct instructions of the Ascended Masters, would awaken in time to the fact that the conscious generation of Divine Love in the feelings is an absolutely essential requirement, if they are to rise above the present human consciousness.
